£9,950,000 ST. JOHN

A stunning restoration and refurbishment of Highcliff in St. John has transformed this traditional granite country estate, stables & paddocks into a striking and characterful family home with magnificent infinity sea views across 15 acres of land above Bonne Nuit Bay on the North coast of Jersey. The approach the DiCasa team have taken on this spectacular property is nothing short of a Herculean feat. Whilst trying to be acutely respectful to the original building, this complete refurbishment has produced a stunning and traditional, yet also strikingly modern in execution and finish. The former garage has been converted into a luxurious two-bedroom en-suite guest cottage for the possibility of multi-generational living whilst also offering fabulous detached home office accommodation if so desired. There is no doubt that Highcliff is one of a kind, set within gracious formal gardens, mature woodlands and natural coastal headland. A boundary pushing refurbishment set on a magical spot...
