Livingroom is thrilled to introduce this expansive rural residence. Clos des Arbres offers highly private living suitable for three generations, making it an ideal choice for a growing family looking to put their stamp on a wonderful property. Located in the serene countryside of St. Saviour, near the Grouville border, Clos des Arbres is nestled on over two acres of beautifully landscaped gardens, which include a heated swimming pool and a historic Lavoir.

The primary house features four generous double bedrooms, and there is an additional two- to three-bedroom guest wing with a private entrance, arranged over two floors. Furthermore, there is a separate one-bedroom apartment on the first floor. The first-floor accommodation provides panoramic views of the countryside towards the sea.

Externally, there is ample parking for more than ten vehicles, with two driveways leading to a double integral garage and workshop.

A fabulous country home with enormous further potential
